
chapter album release

you are invited

In honor of this year's national conference theme of "A Celebration of Success," the Colorado TSA State Officers invite every COTSA chapter to celebrate their success by creating an "album" cover for their "greatest hits" which will be displayed at the state conference!

rules

- Take a high-resolution photo of your chapter that looks like the cover of the hottest band about ready to drop their greatest hits album. The photo may be in black and white or color. The image may be manipulated/edited, but the people in the photo should be recognizable as TSA members.
- The photo may contain the words of the album title, like "Curiosity" or "Here We Go Again". The title should reflect the achievements and successes of the chapter.
- The photo and title should be appropriate for viewing at the Colorado TSA state conference. Any image/title depicting inappropriate or unacceptable language and/or behavior will not be accepted.
- Make sure the photo is formatted in a square with a resolution of 300 dpi.
- Send the photo to the COTSA State Advisor, Tony Raymond, at tony.raymond@cccs.edu no later than February 1, 2018, along with the chapter/school name.
- The "album covers" will then be printed into posters to be displayed around the state conference February 22-24 in "a celebration of success"!
